

# EBOC-09 ENERGY BUSINESS OPPORTUNITIES CONFERENCE 2009

**Date for the Diary  
7 & 8 July 2009  
Hosted by ENERGUS**

West Cumbria Business Cluster in conjunction with partners, presents a two-day business opportunities conference in West Cumbria - Britain's Energy Coast™

Current changes in the global market presents business with new and exciting challenges and opportunities. This all-energy event will provide information on contract and market opportunities from across the entire energy market including nuclear, oil, gas and renewables.

#### How will this conference help your business?

- Hear presentations on key contract and procurement opportunities plus the very latest market intelligence from leaders on the global energy industry
- Take advantage of Networking and Exhibition Zones, plus a dedicated Business Support Area
- Learn more about the Britain's Energy Coast™ Masterplan and what it means for your business

#### Who will this event be of interest to?

- National and international businesses seeking new and exciting opportunities in West Cumbria and its rich supply chain
- West Cumbrian Businesses already in the energy sector and those aspiring to become involved

#### How can your company support the event?

- A range of sponsorship opportunities will be available for companies and organisations to raise their profile at EBOC-09. WCBC, a private sector local members' network, will benefit from any level of support to help ensure a successful, cost effective conference

To register delegate and sponsorship interest please contact
